Civil Protection Week 2025 will take place from May 4 to 10, under the theme **“Acting together for everyone's safety”**. This national event aims to raise public awareness of the importance of preparing for emergency situations.

New first responder service in collaboration with *Ambulance St-Jean*

Dear citizens,

The *Municipalité de Lantier* is pleased to announce the launch of a new first responder service in collaboration with *Ambulance St-Jean*. This service, which complements existing ambulance services, is designed to improve the speed and efficiency of emergency response in our area.

First responders trained by *CISSS des Laurentides* and supervised by *Ambulance St-Jean* will be deployed to provide immediate care while waiting for paramedics to arrive. Their presence will help reduce response times and ensure that critical situations are handled quickly.

We invite everyone to familiarize themselves with this new service and support this initiative, which strengthens our collective safety.

For more information, please contact our office at 819 326-2674 ext. 3406 or visit our website at www.lantier.quebec.

Yours sincerely,
Richard Forget, Mayor.
