SPRING CLEANUP

Thank you for helping us keep our environment clean by properly disposing
of any harmful materials and ensuring that your front yard is free of:

scrap metal, black bins, green bins, brown bins, RVs, branches and tree
trunks, cords of wood, household appliances, construction materials
(concrete, framing, etc.), hazardous materials (gas cans, oil, etc.), and unused
vehicles or vehicles parked outside designated parking spaces.

Thank you for your cooperation.

May 1 is the deadline to remove your car shelter, including the structure that supports the canvas.

Stay tuned! A special newsletter will be sent out at the end of the month to introduce a major item: the test of the automated alert system. We will also be issuing a call for volunteers to strengthen our first responder team.

2026 boat stickers – Important

Your 2026 stickers will be mailed to you with the invoice at the beginning of May, along with the APLC Code of Conduct.

ATTENTION: YOUR STICKERS ARE INCLUDED IN THE SAME ENVELOPE AS YOUR INVOICE.

IMPORTANT

Have you changed boats/other watercraft? Don't forget to notify us so we can cancel your current sticker and register your new watercraft.

Municipal Programs

Did you know?
